

Roberts Park

Get to Know Your Local Park Program

Join the Warren County Soil and Water Conservation District to explore Roberts Park! Community members will learn what makes the park unique and how it helps keep our water clean and healthy, while providing habitat for our vital pollinators. Program will include talks from SWCD staff, Q & A, and hands on activities for all ages.

When: June 23, 2026

Where: Next to Roberts Park Rain Garden

Time: 6PM-7PM
